RIDDHI AGRAWAL

WEB DEVELOPER

About Me

Dedicated and aspiring web developer with a strong foundation in HTML, CSS, JavaScript, Jquery, and Bootstrap, along with other technologies like Visual Studio
Code, Figma, Microsoft Word, and Canva.

Committed to designing and maintaining user-friendly web applications while staying
up-to-date with industry best practices. Seeking opportunities to contribute my technical skills and passion for web development.

Additional Information:

- Participated and came up as a runner-up competition in the National PPT during the first year.

- Actively participate in web development forums and online communities to stay updated on industry trends.

- Volunteered for NSS in my first year of College.
